FOREST MANAGEMENT NOTICE

November 2015

The town of Windham is currently conducting a forest management timber harvest in the McIlvaine Town Forest. Our long-term goals are to:

- *Improve the overall health and quality of the forest*
- *Increase the vigor of the remaining stand*
- *Enhance recreational opportunities*
- *Diversify wildlife habitat*

Wood products from this harvest will provide lumber, paper, renewable energy, and firewood.

To ensure safety, please do not enter areas of the property being actively harvested with forestry equipment.

We appreciate your cooperation during this temporary activity.
